

INVITATION for a free WEB-SEMINAR
On Wednesday July 07, 19:00-19:45 (CET)
Cat with ketoacidosis and diabetes mellitus

Dear colleagues,

Today we would like to invite you to our next webseminar on **"Cat with ketoacidosis and diabetes mellitus"**

A cat with multiple symptoms, including liver damage and significant acid base disturbances, is discussed with focus on laboratory test results. Discussions will include interpretation of results from both blood and urine samples.
